Dear [redacted]

STAT

STAT

On 13 July 1983 we sent to you 79 documents which were responsive

[redacted] and requested that you coordinate on the declassification review of them.

On 29 August 1983 at a status call before the court to examine where we stood in processing the requested documents, the judge admonished us for taking so long to coordinate the review with other agencies. The judge did not set a deadline for completing the review of these documents but we believe it incumbent upon us to ask that you process these documents on a priority basis. The next status call before the court is scheduled for 20 September 1983.

We very much appreciate your assistance in this matter.

Sincerely,
